GLIDE

- METALLIC CHARCOAL
- METALLIC GREEN

\$8,990 inc. GST

With sleek Metallic Charcoal or Metallic Green options, ideal for riders between 150cm to 185cm in height and offering up to 160km mileage*, the Evoke Glide is designed to impress. Boasting a 250W Bafang M510 Mid-Drive Motor with 95Nm peak torque, hydraulic Gemma brakes, and a carbon belt drive, this E-Bike promises a smooth, noiseless ride with minimal maintenance. Say goodbye to cumbersome gear changes with the 380% Enviolo continuously variable transmission, and embrace effortless cycling tailored to your exact cadence.

*Range depends on various factors, including but limited to rider weight, riding conditions and level of assistance used.

STOP ON A DIME

Hydraulic brakes provide superior and precise stopping power - only a light pull produces a strong braking response.

CARBON BELT DRIVE

Kiss greasy, high-maintenance bike chains goodbye and say hello to a clean, smooth ride.

ENVIOLo TRANSMISSION

Equipped with a 380% Enviolo continuously variable manual transmission.

Length: 1900mm

MEASUREMENTS OF THE BOX:

Height: 850mm

Width: 260mm

Length: 1520mm

Model	Glide
Tyre Size	28" x 2"
Max Load	120 kg
Bell/horn specifications	Bell
Frame Material	Aluminium alloy
Transmission	380% Enviolo continuously variable transmission, manual
Motor	250W Bafang M510 Mid-Drive Motor w/ 95Nm peak torque
E-Bike Net Weight	30.5kg
Max Speed	25km/h with pedal assist
Battery	48V 14Ah Lithium Battery (672Wh) UL2271
Avg. Pedal-assisted Range	Approx. 60 - 65km*
Avg. Pure electric range	Approx. 40 - 50km*
Maximum angle of climb	10 degrees
Charging Time	4 - 5 hours
Charger	RCM Certified Lithium Battery Charger, Input 100 - 240V 50/60HZ AC plug, Output 54.6V 3A (Max) DC, Energy Efficiency Level 6
Reflectors	Front & Rear Reflectors
Lights	Front Headlight & Rear Tail Light
Tyre Pressure	Recommended Pressure 40 - 65psi
IP level	IPX4

E-Bike Warranty

The warranty provided extends solely to the original owner for the duration of their ownership. It does not extend to any subsequent owner or other transferee of the product. This limited warranty covers defects in materials and workmanship of the Tomberlin Evoke e-bike frame only and does not cover e-bike components, including, without limitation, the hub transmission, motor, brakes, belt drive and other bicycle components. Please see the Tomberlin Evoke Warranty document for further information.

While we strive to provide you with the best possible riding experience, safety is paramount. We highly recommend that all riders, regardless of skill level, wear appropriate safety gear including but not limited to helmets, knee and elbow pads, and reflective clothing when operating our e-bike products. Failure to do so may increase the risk of injury or accidents. Please adhere to local laws and regulations regarding e-bike usage and safety precautions. By purchasing and using our e-bike products, you acknowledge and agree to ride responsibly and take necessary safety precautions to ensure your well-being and the safety of others.
