HOW TO MAKE A CLAIM

Warranty claims are to be made only by an Authorised Dealer or the end-user/owner of the Product. When submitting a Warranty claim the customer may be required to provide relevant information to support the Warranty claim, including but not limited to:

- Original receipt for purchase
- Photos or video evidence of the failure
- Returning Product to Authorised Dealer or Manufacturer.

All requests must start by either contacting the Authorised Dealer from where Product was purchased or by filling out a Technical Support Request (TSR) which can be found under support link on the Manufacturer's website. The TSR will be reviewed and responded to with the necessary technical assistance.

If technical assistance does not resolve the issue and the claim is seemingly covered under warranty, the Manufacturer will send approval for the product to be sent to the Manufacturer at the expense of the end-user/owner of the Product. Every box

Warranties are for repair, replacement, or substitution only, in Manufacturer's sole discretion. Refunds are not available.
